Lub d Cambodia Siem Reap, is revolutionary, with an exceptional exterior and interior concept design, merging features of the Khmer lifestyle and culture to contrast our Lub d concept. Discovering our chic Khmer design inspired bar serving our thirsty travelers sitting by the pool. Passing by the lounging areas where you can chill on our beanbags and hammocks, then to discover our cool Grab N Go counter serving a la carte breakfast, lunch and dinner. Check in with our host team at the counter, or hang out in the games area or watch a movie in the relaxation room.

We have spared no expense to evolve all our room types into a creative sanctuary. All our rooms at Lub d provide all the important amenities and detailed touches, un-typical in a hostel. Our millennial, Gen-Z and the digital nomads travelers will celebrate the opportunity to enjoy these unique private rooms, and shared dorm accommodation options.

We also have an ultra modern co-working space for those who want to mix a little business with pleasure while traveling in Siem Reap. Combine this all together for all travelers, and even those living in Siem Reap, we promise the most unique experience in the latest, most exciting place to stay in Siem Reap!

GUEST ROOMS

At Lub d Siem Reap, we have 2 types of room to offer. Whether you come with a group of friends on an adventure, you're a couple looking for the hippest place to stay, or as a solo traveler who wants to meet like-minded travelers.

The shared dorm accommodation is a massive 50 square meters in size and comfortably fits 10 travelers with a separate locker and changing area away from the sleep area, to ensure less noise and light while sleeping. The private rooms provide all important amenities needed for all travelers, comfortable space to unwind, great sleep experience with high quality linens, awesome shower experience, Smart TV to watch Netflix or YouTube, and mini-refrigerator to store your yummy snacks.

In both the Shared Dorm Accommodation as well as the private rooms, we know Wi-Fi is key, especially for the millennials and the digital nomads who absolutely love to stay connected in the social world. High Speed it is!
